### 4. Fill the fields with the information. Below is a 'template message' that can be used for the Fundraising Story.

*Please assist me in supporting the Edmonton Community Legal Centre and its mission to provide access to justice. On Saturday, September 22, I will participate in the annual ECLC Advice-A-Thon at City Hall in downtown Edmonton. I will provide free legal advice to low and modest income individuals, including the homeless, new Canadians, and people with mental health issues. As you may expect during these times of limited access to justice, the demand for free legal services grows each day. The Edmonton Community Legal Centre is committed to meeting this demand by operating legal advice clinics four evenings a week at their downtown office. It is a testament to the charitable nature of Edmonton's legal profession that over 200 Edmonton lawyers volunteer with the ECLC to provide free legal advice and public legal education to 5000 people each year. Some of these people receive additional free support, advice, and*

representation from ECLC staff, including six staff lawyers and two articling students. Please help me reach my fundraising goal by donating to this worthy cause and demonstrating your support of my commitment to access to justice and pro bono legal service. Click "Donate to Me" to make your charitable donation. Donations of \$20 or more receive a charitable tax donation receipt. Thank you in advance for your generosity. Sincerely, (volunteer lawyer name)

Participants (1)

The Advice-a-thon is a pro bono event where lawyers sign up for one or more hours to provide summary legal advice to persons living with low income.

This year's legal advice-a-thon will be held at City Hall. In addition to the legal clinics that will be running, we will have meals and snacks for everyone.

Before the event, lawyers will collect pledges to support their volunteerism at ECLC and the programs and services that ECLC delivers.

## **8. Setting up a group fundraiser is very similar, but it involves setting up the TEAM page and then an individual page.**

You will need to first sign up and create your team page, setting a team fundraising goal and telling your own fundraising story, through words and visuals.

Then, create your own Team Member page, setting your personal fundraising goal and telling your own fundraising story. Then, you invite Members—they will then create their own Team Member page. If you are the first person who has set this up, you will be assigned as the team captain.

Lastly, all Team Members—including you as the Team Captain—start fundraising using the built-in social sharing features to reach out to your personal networks.

As Team Captain, be sure to keep in touch with your Team throughout the campaign – offering fundraising ideas and support, reporting on fundraising progress, and keeping everyone motivated to reach your team goal!
